## BUBBLE ROD SWATCH

In this photograph the large and small bubble rods are shown side by side for comparison.

The large bubble rods have large bubbles, spaced further apart than those on the small bubble rods.

The small bubble rods have much smaller, densely packed bubbles.

The rods shown have both been given our perfect polished finish on the ends.

Bubble rods are available in the following diameters as standard:

Small Bubble Rod	Large Bubble Rod
<ul style="list-style-type: none"><li>• 10mm (Possible to order)</li></ul>	<ul style="list-style-type: none"><li>• 40mm</li></ul>
<ul style="list-style-type: none"><li>• 15mm</li></ul>	<ul style="list-style-type: none"><li>• 50mm</li></ul>
<ul style="list-style-type: none"><li>• 20mm</li></ul>	
<ul style="list-style-type: none"><li>• 30mm</li></ul>	
<ul style="list-style-type: none"><li>• 40mm</li></ul>	

Other diameters possible - to order. Minimum order quantities may apply
